EXAMINER INTERVIEW SUMMARY

Dear Sir:

The undersigned would like to thank Examiner Fernandez Rivas for the courtesies extended in a telephonic conference conducted on April 1, 2010. During the call, the Information Disclosure statements filed on December 30, 2009, and considered by the Examiner pursuant to the notification mailed on February 18, 2010, were discussed. The Examiner indicated that several NPL references were crossed-off because the citations did not include a listing of page numbers. During the call, the Examiner agreed to consider the references and initial the Information Disclosure Statements if a PTO-1449 including citations with page numbers was submitted by the applicant prior to payment of the issue fee. The Examiner indicated that it was not necessary to pay a fee or make a certification statement because the references had previously been submitted and all that was needed was a listing of page numbers.

Accordingly, applicants are submitting a new PTO-1449 identifying the crossed-off references. If there are any additional matters for consideration, the Examiner is invited to contact the undersigned.

Respectfully submitted,
